

October 1, 2006

Dear Alumni's:

I'm excited about seeing so many alumni at Willow Run this year! After taking a real look I realized that there are a lot of us. All with different experiences, familiar classmates, and new friends, who have their children attending Willow Run. In saying this I thought it would be a great ideal to start an Alumni Page to show that there are a lot of alumnus giving back to the community and making a difference. If you are interested in being featured on the page please let me know. If there is currently information that is on the page that is incorrect or that you do not wish to be on the page please let me know. I created this page to show that Willow Run former students do give back to their community. The willow tree can only grow with constant nurturing and watering, that's what we are.

Thank you, and I looking forward to hearing from all of you. Below is some questions you can fill out and sending back to me. Just click before the brackets and lines to fill out. Save this file in your name and attach it to an email and send to [mexicanfox@sbcglobal.net](mailto:mexicanfox@sbcglobal.net) or you can fill it out a give it to me I am at most home games.

Sincerely,

Renita Gibson

Proud WR Parent, Alumni, and Flyers & Jets Webmaster
